Copy of letter No.55(2)-Tr.(W)/39, dated New Delhi, the 22nd July 1940, from the Additional Secretary to the Government of India, Department of Commerce, to All Provincial Governments and the Chief Commissioners of Provinces.

STATUS OF ENEMY ALIENS RELEASED FROM INTERNMENT.

I am directed to draw your attention to the provisions of Parts XV and XVI of the Defence of India Rules as they affect enemy subjects who have not been interned or who have been released from internment and not reinterned. Such people are not, under Part XV "enemy", but if non-interned Germans/Italians carry on or have carried on any business in British India subsequent to the 2nd September 1939/10th June 1940, they become enemy firms under rule 103(2) of Part XVI. As enemy firms they are subject to orders issued by the Commerce Department of the Government of India.

2. I am to request that, if the Provincial Government/you see no objection, you will refer to the Controller of Enemy Firms, Reserve Bank Buildings, Bombay, in case of any non-interned enemy subject in whose case you wish permission to be given to trade or carry on business, and the Controller will then report on the circumstances to the Government of India.

3. It is considered that the term "business" is wide enough to cover, in general, trades and occupations followed for the purposes of profit; but there is some doubt as to whether professions are to be included, and when referring cases of this nature a reasonably detailed description of the way in which the profession is to be followed, may be supplied.

4. I am to add, in case there is any mis-apprehension that

that in cases where non-internees are "Enemy subjects" and not "Enemy firms" there is no restriction on their making normal purchases etc.
